

Environmental Policy Statement

At WDF Productions we actively look to work in ways which contribute to helping the environment and the society it serves. As part of this, we actively seek to work with businesses whose values are along this same line.

The key points of this policy are:

- integrating environmental and social responsibility into the core of our business by sourcing and helping to promote ethical companies who are environmentally conscious wherever possible
- compliance with environmental regulation and legislation
- raising awareness of environmental issues wherever possible by
- communicating this policy to employees
- continuously improving the environmental performance of our company
